

# MOHD AHMAD

## EXPERIENCE

- **1 year Internship** as a Full Stack Developer in Novolnvent Software Pvt Ltd.  
[March 2023 – May 2024]

## PROFILE

Code whisperer by day, future tech mogul by night. Currently a B.Tech. 4th year student juggling algorithms and deadlines with a smile. At Novoinvent, I wear the full-stack developer hat, crafting web experiences that are as beautiful as they are efficient (shoutout to my scraper speedup!). Javascript, Python, Django, MERN – you name it, I speak it. Open to opportunities that leverage my full-stack development skills. Reach out to connect!
